FARMSIDE LANDSCAPE & DESIGN RECEIVES NATIONAL SAFETY AWARDS

Wantage, NJ – Farmside Landscape & Design announced today it was recently awarded the Overall Safety Achievement Award at the highest level – The Gold Performance Level by the National Association of Landscape Professionals. The award, part of the association’s Safety Recognition Awards Program, honors those companies with high-performing safety programs that have a multi-year track record of creating and maintaining safe work environments for their employees and clients.

Farmside Landscape received the award by demonstrating safety performance and adhering to a safety program.

Miles Kuperus Jr, owner, commented “This is our second year in a row attaining the Gold safety level, which is a testament to our team’s commitment to overall safety. We are proud of their leadership and commitment to each other and the community we work in and around. Our team recognizes the positive impact this has.”

Farmside Landscape & Design is a full service landscape contractor offering landscape design, installation and maintenance service, in addition to Plant Health Care & Turf Care services. Farmside has been serving the Tri-State area for over 25 years and is led by a nationally certified staff of Landscape Technicians, Managers, Arborist and Professionals. Farmside can be reached at 973-875-7200 or visit www.farmside.com for more information.

The Safety Recognition Awards Program is sponsored by CNA.

About NALP

The National Association of Landscape Professionals (formerly PLANET) is the voice of 100,000 landscape and lawn care industry professionals who create and maintain healthy green spaces for communities across America. The association advocates on issues impacting its members and offers mentoring and education programs that inspire its members to excellence. Many members become Landscape Industry Certified, achieving the highest standard of industry expertise, business professionalism and knowledge. Get more information at www.landscapeprofessionals.org
